

Aquapure™ Bio 60L

Microbial Trap & Drain Cleaner and Deodorizer

The Aquapure Bio 60L contains friendly bacteria and enzymes specifically adapted to liquefy grease, fats and oils. This product is formulated to work in pipes of systems, restaurant grease traps, scum pits, wet wells, equalization tanks, drain lines and collection systems – anywhere grease accumulation causes reduced flow, plugging of lines and spills.

Aquapure Bio 60L contains naturally occurring, aerobic and facultative microbes specifically designed to digest grease, fat, fatty acids, vegetable oils, sugars and starch, in addition to mitigating foul odors. The Bio 60L will digest F.O.G. in water, on the ground, sludge, collection systems, lift stations etc. It will also impact BOD and COD. When applied to oil stains on concrete it will continue to lessen the stains until gone.

Features & Benefits

- Removes and digests fat, oil and grease
- Works in various wastewater environments under a broad wastewater temperature and pH range.
- Lowers COD and BOD.

Physical Data

Product	Dormant bacterial cultures and or enzymes, surfactant and fragrance
Production	Amylase, Protease, Lipase, Esterase, Urease, Cellulase, Xylanase
Form	Liquid with a pleasant odor
Color	Slight blue
Specific gravity	~1.00
pH	4-10
Temperature	5° - 55°C (40° - 130°F)

Operating Conditions

Mix container thoroughly prior to applying. Consult a representative for dosing recommendations. Aquapure Bio 60L may be added upstream from the treatment area or directly to the grease trap, EQ basin or aeration basin. Contact a Hubbard Hall representative for more specific application instructions.

Do not use in environments where high levels of toxic metals such as zinc, chrome, mercury, are known to exist.

Availability

Aquapure 60 L is available in 5-gallon pails, 55-gallon drums and 330-gallon totes

Caution

In the event of direct contact with the eyes or skin, flush the affected area with water.

- **Storage:** Store product in a dry place between 15°-30°C. Do not freeze.
- **Shelf Life:** One year at 21°C (70°F)

WARRANTY: THE QUALITY OF THIS PRODUCT IS GUARANTEED ON SHIPMENT FROM OUR PLANT. IF THE USE RECOMMENDATIONS ARE FOLLOWED, DESIRED RESULTS WILL BE OBTAINED. SINCE THE USE OF OUR PRODUCTS IS BEYOND OUR CONTROL, NO GUARANTEE EXPRESSED OR IMPLIED IS MADE AS TO THE EFFECTS OF SUCH USE, OR THE RESULTS TO BE OBTAINED.
